7. New Business:

a. Notice of Motion – Amendment of the Town’s Policies and Procedures to add Social Media

This is to notify Council and the public that at next month’s meeting, I will be making a motion to amend the Town of Witless Bay Policies and Procedures Manual to include a Social Media Policy and Procedures.

Councilor Burke reported that in today’s world Social Media has become a commonly used platform for sharing information, promoting events, advertising, networking, collaboration, communication, and so much more. The Town of Witless Bay is committed to keeping our residents informed about town business and community events. We always welcome your feedback and suggestions.

While it is easy and convenient to have this platform in use, it is also necessary to have Procedures and Policies in place for Town Employees and Elected Officials. This allows us to ensure a standard for communication, and a level of professionalism, consistency, transparency and accountability in our Social Media communications.

While I am on the topic, although this does not require a motion, I would like to make people know that tonight we will be adding some “Terms of Use” to our Facebook page, which will also be applicable to any and all other Social Media platforms that we decide to utilize as we move forward.

We must also have Guidelines for Terms of Use in place for Town Employees, or Elected Officials and for the public or the followers. Again, these will clearly outline our standards for communication on our Social Media platforms. The Town of Witless Bay is committed to providing a safe and respectful work environment for Town Employees and Elected Officials as outlined in the Respectful Workplace Policies and Procedures.

b. Appointment of Financial and Administrative Assistant

2021-367 Councilor Alex Troake/Councilor Gerard Dunne

- g. Request to rescind Motion #s 2018-222, 2020-019, 2020-052 and 2021-267

Motion to rescind Motion #2018-222

Councilor Gerard Dunne declared a conflict of interest because the company he works for priced work in the area. Councilor Dunne left the meeting at 7:54.

Councilor Ralph Carey reported that correspondence was received from a resident requesting Council to rescind motion 2018-222. Motion 2018-222 states:

“Move that Council rescind motion 2018-222 – a motion made by Councillor Lucy Carew and seconded by Councilor Fraser Paul, at the public meeting of September 11, 2018, that Council adopt the revised Town of Witless Bay Engineer Design Standards relating to Notice of Motion made at the June 12, 2018 public meeting as amended to read: Town of Witless Bay Engineering Subdivision Design Standards. All other road standards within the Town of Witless Bay including all public Right-of-Ways shall be at the discretion of Council. Dated September 2018.”

Councilor Carey also noted that previous to this motion, Councilor Lucy Carew made another motion at the June 12, 2018 public meeting under 7 c) which stated:

“Witless Bay Engineering Design Road Standards – Councillor Lucy Carew reported that at the June 12, 2018 meeting, Council made a Notice of Motion to make amendments to the Town of Witless Bay Engineering Design Standards. The amendment is to add the word ‘Sub-divison,’ and, the amendment is to add ‘all other road standards within the Town of Witless Bay including all public Rights-of-Ways shall be at the discretion of Council.’ The amendment is to add September 2018 as our amendment date.”

Council Carey stated that this gives tremendous power to a council to use discretion, where we talk about roads and engineering standards, we are talking about safety first.

- d. Recruitment of Volunteer Fire Fighters – Motion to place a full page ad in the Shoreline to help encourage awareness and recruitment.

11. Heritage:

a. Heritage Committee Report

Councillor Haydens Report:

1. **Book**

Our book about Witless Bay was a project we began about 16 years ago starting with interviews of community residents. Some of the residents have passed since their interviews. The book captures memories and events of the community.

The book is now ready for sale and we are having a book launch on November 20, 2021. Books will be for sale at the book launch and on November 27, 2021 from 2:00 – 5:00 both days at the Puffin Center. The Mayor, Deputy Mayor and all council members are invited to attend,

2. **Maintenance of the Old Cemetery**

Materials for the new fencing around the cemetery were purchased in the spring as the prices began to rise. The former Town Council agreed to provide the labor for the project. Maintenance staff have advised the Heritage Committee that they now have time available to work on installing the new fencing.

3. **November 11 event at Holy Cross Cemetery**

Laying Canadian flags on the graves of war veterans who are resting in the Holy Cross Cemetery is an event sponsored by the Heritage Committee. It is an event that has been well attended and become a tradition in the Town. It will proceed this year at the usual time, the eleventh day, of the eleventh month, at the eleventh hour – November 11 at 11:00 p.m.

4. **Plaquing Project**

The Heritage Committee started plaquing project in 2020. It relies on information contained in an inventory compiled in 2011 of 74 homes that were built before 1930. Some of the houses have since been demolished. Last summer, information about the plaquing project was mailed to the people who were listed on the Town's tax rolls as owners of the remaining houses. If they were interested in a plaque, they were asked to contact the Heritage Committee.

Members of the Heritage Committee compile information about the house and order the plaques. Homeowners pay for the plaques. The Heritage Committee is working on posting

information about the Historic Homes Project on its Facebook page. So far, there have been twenty owners of these properties who have expressed interest in participating.

Further, the plaguing project has extended beyond historic homes. With the property owner's agreement, the barking kettle on Harbour Road is the site of a plague explaining its use to the fishermen of the Town. Our plans are creating plagues to celebrate people who have made contributions to the community. Keep your eyes open for more plagues around the community.

5. **Protecting historic assets – the railbed and trestle**

The Heritage Committee made a request to the previous Council to protect the railbed and trestle for use by the residents of the Town. We are anxious to discuss this with our new Council.

6. **Call for New Members**

Throughout the pandemic, the Heritage Committee has been very busy. As with any committee we recognize the need for new ideas. We would welcome new members. If anyone is interested in participating, please contact one of the members of the Heritage Committee.

12. Payable Charts:

a. Town expenses

2021-383 Councilor Alex Troake/Councilor Ralph Carey

Move that Council approve the payable chart for Town expenses for \$17,752.35.

- (p) respecting the number of dogs which a person may keep in a municipality;
- (q) prescribing fines for the non-compliance or contravention of regulations made under this section;

b. First annual Halloween event – Special thank you.

The Town would like to extend its thanks to the 50+ Club as well as the Witless Bay Volunteer Fire Department for their participation in our first annual Halloween event at the Puffin Centre. Although we didn't have a lot of time to prepare, the event was well received by families and children of the Town and we look forward to building on this success for a bigger event next year. We would also like to pass along our thanks to Jeannine Winkle and Ian Jones for participating as the Headless Horseman and Company which made the evening extra special for our trick or treaters.

14. Next Public Meeting will be held on December 14, 2021 @ 7:30 p.m.

15. Adjournment

2021-389 Councilor Ralph Carey/Councilor Jacob Hayden
Move that the meeting adjourn at 8:42 pm.
Carried unanimously.
